The Rhythm of Spring

"It is spring again. The Earth is like a child that knows poems by heart." —Rainer Maria Rilke

Giving Back, Bit by Bit

Giving back to others doesn't have to take a lot of time or energy. Micro-volunteering refers to low-effort, short-term opportunities to do a good deed, and can include activities like filling out surveys, signing petitions, sharing social media posts or translating documents. With micro-volunteering on the rise, many nonprofits are offering multiple mini-sized ways to help make the world a better place.

A Masters Tradition

The annual Masters golf tournament has many unique traditions, including its signature pimento cheese sandwiches. Since the 1960s, they have been a menu staple at Georgia's Augusta National Golf Club concession stands, which sell them for just \$1.50, wrapped in green plastic to match the famed course.

Penny for Your Thoughts

You might have gotten more than you expected had someone said this phrase to you in 1787! That's when the U.S. Congress of the Confederation—which governed the emerging United States following the Revolutionary War—authorized its first penny: the Fugio cent. In addition to its monetary value, the copper coin also boasted some advice. "Mind Your Business," a proverb popularized by Benjamin Franklin, was engraved on the front, while the patriotic motto "We Are One" appeared on the back.

April 2024

Welcome to April

The world is remembering its roots this month as spring starts turning everything green! No matter how fickle the weather may be, we always anticipate the new beginnings this freshest of months brings. Of course, April is full of other celebrations, like April Fools' Day (1st), Earth Day (22nd) and even National Velociraptor Awareness Day (18th). However you choose to have fun this month, we hope you enjoy the brightening days!

Dabble in Scrabble

Have some F-U-N on April 13, National Scrabble Day. Fans of the popular board game often turn to "The Official Scrabble Players Dictionary," which was most recently updated in 2022 and now contains more than 100,000 words. Improve your Scrabble strategy by brushing up on two-letter words—they can often be placed to take advantage of double or triple score squares.
